Cost per number of counties of operation

- |             |                   |
|-------------|-------------------|
| 1 = \$ 600  | 4 = \$2,400       |
| 2 = \$1,200 | 5 = \$3,000       |
| 3 = \$1,800 | 6 to 10 = \$3,500 |

**Total number of counties of operation** \_\_\_\_\_

**Total cost (per table to the left)** \_\_\_\_\_

Operation under an annual permit will require that:

- A copy of the permit is carried in the implement.
- The permit number is displayed on the implement's door in numbers that contrast sharply with the background on which the number is placed. The number must be readily legible during daylight hours from a distance of 50 feet, when the vehicle is stationary, and maintained in a manner that retains the legibility.
- The implement's weight cannot exceed 25,000 lbs. on any one axle.
- The implement not exceed 35 miles per hour.

The permit will be valid only for operation on non-interstate highways in counties stipulated above. Operation on bridges may not exceed the posted weight limitations.

**Any cited violation of a permit will result in a \$10,000 civil penalty.**

The undersigned under oath swears under penalty of perjury the information furnished in this application is true and correct.
